

Expression of Interest Notice for Potential UAS Providers

Without commitment or prejudice.

Thank you for registering your capabilities on the Unmanned Air Systems Capability Development Centre (UAS CDC) Open Supplier Register (OSR). Based on the information submitted onto the OSR you have indicated to us that you have:

- Class 1 (Micro, Mini, Small) UAS Capabilities;
- Have a UAS Operating Capability.

As such, you may be interested in receiving further details of a potential forthcoming UAS CDC opportunity that has arisen.

Military Training and Filming Demonstration

The UAS CDC has received an initial requirement to film aspects of a military training programme with a UAS to assess its use as a training debrief aid and for generating publicity material. Filming will be conducted in the South West Region. It is initially expected that filming will take between 3 to 6 days in October 2015.

To be considered for the trial, potential UAS operators shall, in the first instance comply with the following specification:

Ref	Specification	Confirm Y/N	Comment
S1	UAS platform capable of HD filming.		
S2	Experience of filming dynamic situations, e.g. the task will include following recruits moving through assault courses and conducting section attacks.		
S3	Current Aerial Work Permit		

If you would like to receive a Request For Quote, should the trial go ahead, please email the UAS CDC email address by close of play on Friday 14th August 2015.
